

九. 下弯针部分 / Lower looper assemblies

Table with columns: Part No., Part Name, Qty, and Ass'y Key. Lists various looper components.

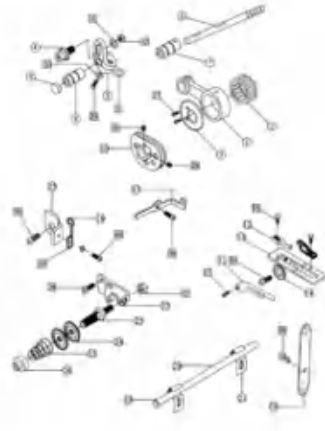

十. 前弯针部分 / Front lower looper assemblies

Table with columns: Part No., Part Name, Qty, and Ass'y Key. Lists various front lower looper components.

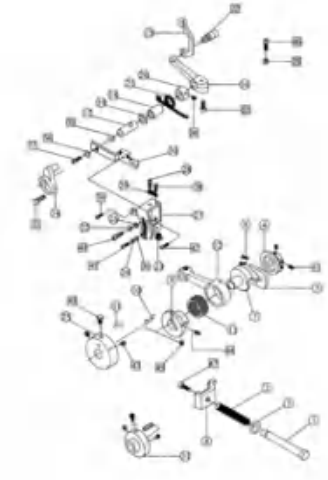

十一. 打线凸机部分 / Cam assemblies

Table with columns: Part No., Part Name, Qty, and Ass'y Key. Lists various cam assembly components.

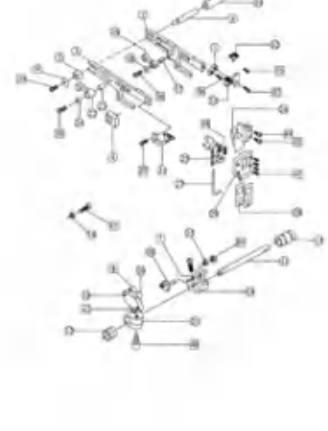

十二. 差动送布部分 / Differential feed assemblies

Table with columns: Part No., Part Name, Qty, and Ass'y Key. Lists various differential feed components.

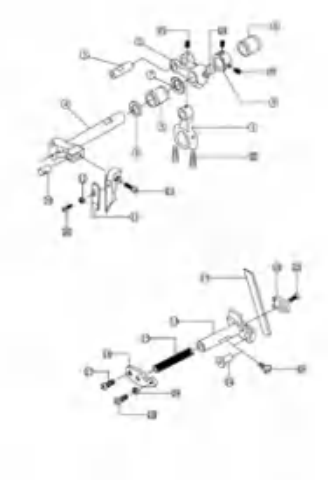

十三. 抽牙送布部分 / Feed tray assemblies

Table with columns: Part No., Part Name, Qty, and Ass'y Key. Lists various feed tray components.

十四. 剪切部分 / Finning assemblies

Table with columns: Part No., Part Name, Qty, and Ass'y Key. Lists various finning components.

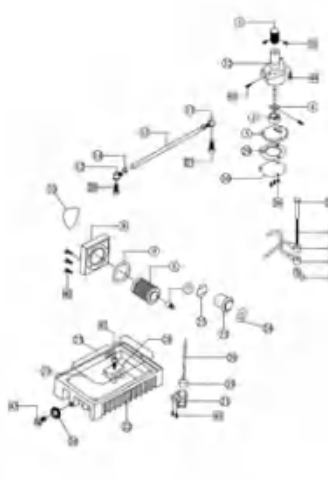

十五. 压布部分 / Presser foot assemblies

Table with columns: Part No., Part Name, Qty, and Ass'y Key. Lists various presser foot components.

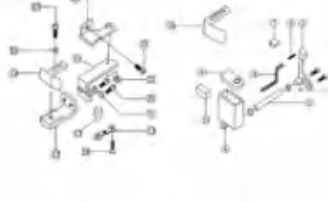

十六. 润滑油部分 / Lubrication assemblies

Table with columns: Part No., Part Name, Qty, and Ass'y Key. Lists various lubrication components.

十七. 送布送料部分 / Feed snap assemblies

Table with columns: Part No., Part Name, Qty, and Ass'y Key. Lists various feed snap components.

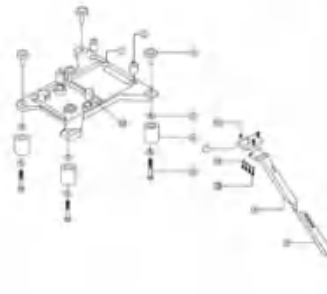

十八. 线架部分 / Thread spool assemblies

Table with columns: Part No., Part Name, Qty, and Ass'y Key. Lists various thread spool components.

十九. 托盘、送料部分 / Plater row material assemblies

Table with columns: Part No., Part Name, Qty, and Ass'y Key. Lists various plater row material components.

二十. 随机附件部分 / Accessories assemblies

Table with columns: Part No., Part Name, Qty, and Ass'y Key. Lists various accessory components.

D8/F8系列专用件

Table listing specific components for D8/F8 series with columns for part numbers and descriptions.

COMPONENTS FOR D8/F8-3-4-5MODE

Table listing specific components for D8/F8-3-4-5 modes with columns for part numbers and descriptions.
